

Free delivery to most UK mainland postcode areas.

Any door deliveries to mainland UK has no additional shipping cost applied with just a few post code exceptions, ask for details.

Availability timescales against any product is treated as "WORKING DAYS", we will contact you when products are ready for dispatch.

Any order, large or small will have a minimum £70 added to some highlands post code areas, a £100 charge added in the shopping basket for UK Islands and Northern Ireland but most Islands will be £100 to £150; it is a one off charge and not per item. So if you are ordering [multiple internal doors](#) or [external doors](#) the charge doesn't increase in relation to the number of doors ordered.

Orders containing no doors:

Delivery prices for orders that are for accessories only (i.e. no doors) are based on the total order weight. The prices shown are inclusive of packaging.
